

JOB TRACK

Vehicle Fitting Engineers

Job Description.

Pantrack requires Vehicle Fitting Engineer staff for full and part-time employment. Previous experience not essential, but desirable. All training is provided.

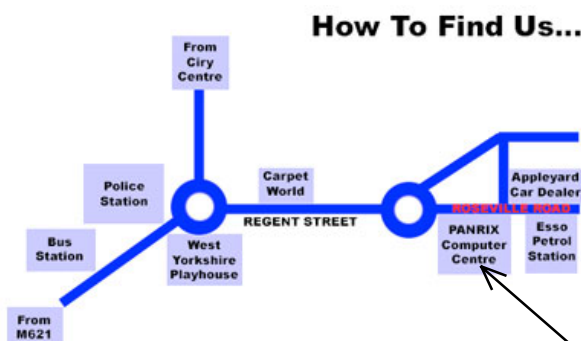

Ambitious?

Got ideas? We're looking for bright, ambitious people who bring creativity, self-motivation and hard work to our growing company.

What are you waiting for?

An innovative direct manufacturer of vehicle tracking devices and innovative technological products, Pantrack Ltd. is making its mark as a leader. If you are creative, self-motivated and willing to learn, we want your application.

Where the Jobs are.

Pantrack Ltd. is located in Leeds on 91, Roseville Rd opposite Appleyards and next to the Esso petrol station.

Tel: 08700 660 950

Fax: 01132 444 962
